

# Congratulations Dr. James Huffman

## PARA's *Resident of the Month* for February 2010

Dr. Huffman is from London, Ontario and completed his undergrad degree at Queen's where he was lucky to be a part of the varsity cross-country skiing team before moving out west for medical school at the University of Calgary. James continued his studies with his pursuit of a Master's in Medical Education. Other than spending time with his wife, his favourite things to do are playing hockey, cross-country skiing, hiking, and cooking.

A fellow resident had this to say about Dr. Huffman:

*“James is always willing to teach both off service residents/students and his fellow ER residents. He is a pleasure to work with both at the hospital and in his downtime. He lives the motto of work-life balance with a healthy dedication to sports and his family.”*

**NOMINATE** someone you know for the **RESIDENT OF THE MONTH** award...
