

# Congratulations Dr. Craig Domke

## PARA's *Resident Physician of the Month* for **January 2011**

Dr. Domke grew up in Fort McMurray, and attended undergrad and medical school at the University of Alberta. He is in the FR Emergency program at the U of A, and spends most of my spare time refereeing hockey and working as an auxiliary constable with the RCMP.

A fellow resident physician had this to say about Dr. Craig Domke:

"I love working with Craig. He is so enthusiastic, works extremely hard and is really fun to work with. He never misses an opportunity to compliment a colleague who answers a question correctly or performs a procedure. He will go out of his way to show his fellow residents interesting cases or procedures. When he is not hanging around the ER looking for extra work, he referees hockey and I have even spotted him jogging in the River Valley."

**NOMINATE someone you know for the  
RESIDENT PHYSICIAN OF THE MONTH Award...**
