5. **PARA Resident of the Month**

January 2009 Dr. Kamaldeen Sahi
Diagnostic Radiology, PGY1, University of Alberta

A fellow resident had this to say about Dr. Sahi:

“Dr. Sahi is an excellent teacher on the wards. I worked with him for two weeks on the CCU service and found him to be very receptive to teaching requests. Along with day-to-day Cardiology teaching, he also took the time to make me comfortable with the approach to reading CXR and AXR.”
