

Congratulations Dr. Kevin Schwartz

PARA's *Resident of the Month* for October 2009

Dr. Schwartz grew up in Toronto. He completed a B.Sc at the University of Western Ontario. Kevin then attended medical school at the University of Toronto, before coming to Calgary for his pediatric residency (he is currently a PGY 3) at Alberta Children's Hospital. In addition, he will be participating in a 6-month exchange program with the Mater Children's Hospital in Brisbane, Australia starting in January 2010. Kevin's interests include basketball, rock climbing, and films.

A fellow resident had this to say about Dr. Schwartz:

"Dr. Schwartz is always willing to step in and take call shifts when no one else will. Kevin has also been very involved in instituting a revised resident teaching program to promote resident-to-resident teaching sessions on a weekly basis, which include case based, and actual physical exam practice. This has been well received by the ACH resident group, and has taken weekly efforts to institute on Kevin's behalf."

**NOMINATE someone you know for the RESIDENT
OF THE MONTH award...**
