

Congratulations Dr. Katie Wiltshire

PARA's *Resident Physician of the Month* for **December 2010**

Dr. Wiltshire moved to Edmonton from Ontario as a teenager to train for figure skating. She subsequently stayed in Edmonton for her undergraduate and medical school training and then moved to Calgary in 2007 to start residency in Neurology. Outside of work, Katie enjoys figure skating, running, surfing, travelling, volunteering with Special Olympics Calgary, and spending time with her amazing friends and family.

A fellow resident physician had this to say about Dr. Wiltshire:

“Katie was senior when I got to know her and I was a very green resident. She took the time to show all of the residents and the medical students how the systems worked at ACH and she spent time teaching us approaches to common problems. She was always happy to switch call shifts when it would help you and lastly she always offered to buy you coffee. She definitely made the job at children’s hospital fun.”

**NOMINATE someone you know for the
RESIDENT PHYSICIAN OF THE MONTH Award...**
