

# RESIDENT PHYSICIAN OF THE MONTH

February 2024

## Dr. Jarrett Moore Orthopaedic Surgery University of Calgary

I am a fourth-year orthopedic surgery resident originally from Victoria, BC. I completed my undergrad at the University of Victoria before moving to Calgary where I completed my master's focusing on DNA damage response pathways in non-small cell lung cancer and medical school. I was then fortunate to join the orthopedic surgery residency program in Calgary.

Beyond medicine, I enjoy mountain biking, teatime, and photography. In my personal life I am a parent to two girls, aged 3 and 1, and a dog owner. I'm thankful for my far too supportive wife who keeps the family afloat."

## A colleague had this to say about Dr. Moore

Driven by an exceptional dedication to patient care and a remarkable commitment to education, Dr. Moore truly embodies the essence of a well-rounded and compassionate resident physician.

Jarrett consistently surpasses expectations in patient care, demonstrating sincere empathy and attentiveness. His ability to establish strong patient-physician rapport is truly commendable, contributing significantly to positive patient outcomes. Moreover, he takes the time to educate patients about their conditions and treatment options, empowering them to play an active role in their care journey.

In the realm of medical education, Jarrett shines as a role model and mentor. His enthusiasm for teaching is evident in his interactive and comprehensive approach. He takes the initiative to share his clinical insights, fostering intellectual curiosity among trainees. With his guidance, junior residents and medical students develop not only clinical skills but also a deeper understanding of patient-centered care.

Beyond his clinical and teaching roles, Jarrett advocates for a balanced lifestyle and well-being. He consistently exhibits resilience, effectively managing his workload while also supporting his colleagues and balancing his busy home life with his young family. His commitment to cultivating a positive work environment and prioritizing self-care serves as a motivating example to us all.

In recognition of his unwavering dedication to patient care, his steadfast commitment to education, and his promotion of well-being, Jarrett unquestionably deserves the Resident Physician of the Month award. His positive influence reverberates throughout the hospital, fostering a culture of excellence and compassion. I wholeheartedly endorse his nomination and believe he embodies the finest qualities of a resident physician.
